December 1, 1948.

A very interesting town meeting was held in the school house, and was largely attended by interested residents and friends.

The meeting was called to order by Burgess Kennedy. Prayer was offered by Mr. Samuel Ausherman. Burgess spoke of the object of the meeting, and what the town officials were trying to do, and to try get the most for the moneys spent. The Burgess at this time introduced Mr. Garland Guyton, chairman of the street committee. Mr. Guyton spoke of the survey made by the committee, and had many helpful suggestions. Mr. Guyton introduced the engineer Mr. L.H. Maynard. Mr. Maynard talked at length on surveying, and what had been accomplished. Mr. Maynard spoke of the advantages and disadvantages in the different types of street and gutter work. Mr. Maurice Delauter, state road inspector, in his experience the cement has proven the best. Mr. Ralph Weedy suggested that bids for different kinds of work be secured, namely cement & macadam. Some discussion was devoted to the question of lights, same being left to the officers. At this time Burgess Kennedy, introduced Supt. of schools E.W. Pruitt. Mr. Pruitt spoke at length on the proplems of to-day in the school system. Meeting adjourned 9:40 P.M.
